

E-mail Plea

The August 2008 issue of Das Heimblatt initiated an expanded version if you have an accurate e-mail address.

There is lots of great information in this area, but the cost of postage and printing far exceeds the \$11/member per year that we receive back from the national business office.

In addition, the e-mail addresses we get from the national business office are frequently incorrect.

If you are receiving Das Heinblatt by snail mail and you are willing to receive it by e-mail, please send your correct e-mail address to: jertoosaver@bellsouth.net.

A bonus in this issue is a great article by Bob Hinds on the Porsche Sport Driving School at Barber Motorsports Park
