

The BP Ultimate - Fall Leaf Color Tour

Sponsored by BP Ultimate Gasoline and
Mercedes-Benz Club, Western Reserve Section

Sunday, October 12, 2003

We'll gather at 9:00 a.m. the McDonald's restaurant in Ashland, at the Rt. 250 exit of I-71. After taking some time to view our beautiful cars, we'll convoy to Mansfield to Carrousel Park, where we'll have a tour of the restored 100 year old carrousel, and for the adventurous and daring in the group, take one or two rides. Those living in the Mansfield area can meet us there. We'll then walk across the street to Upstairs/Downstairs, an auto restoration facility where we'll have a tour of the restoration shop. We'll see about 10 cars which are in process of a "frame off" restoration.

We'll drive about a mile to Kingwood Center, and take a tour of the Kingwood mansion and gardens, and then convoy through the hills of southern Richland County to Mohican State Park where we'll have a brunch buffet at the lodge.

BP will pay your gas for this tour!

Meeting us at the Lodge will be representatives from BP and Amoco, who will introduce us to a new Ultimate 93 gasoline which they are marketing in the Ohio area. They will have technical experts on hand to answer your most detailed questions about fuel in general, and this new product specifically. Each driver will receive a card worth \$10 at any BP station, and everyone present will be eligible for a drawing of additional cards worth up to \$100! We'll also have our usual door prize drawing, and a 50/50 raffle (proceeds to charity).

Bring a family channel radio, if you have one. Helps keep the group together on convoys

We expect that you'll be on your way home by 4:30.

Price of \$15 per person is subsidized by your dues, includes all admissions, meal, tax and tip. Juice and alcoholic beverages at brunch are extra.
