Annual Member Meeting

1:00 - 3:00 PM

Mercedes-Benz of Pleasanton
5885 Owens Dr, Pleasanton, CA 94588

To All SFBA MBCA Members:

Our club needs to install new leadership to continue.

Our section has an rich history of sponsoring social, technical, and educational activities and opportunities for our members that have been enriching, informative, and often just fun, for over 50 years. Events and activities that were only possible with a strong and energetic club. For this to continue we need new leaders to continue these traditions as well as to explore new opportunities.

We would like to hold a Board meeting on November 25 to accomplish this transition. The meeting will be held at Mercedes-Benz of Pleasanton in their staff conference room, from 1:00 to about 3:00 pm. All members are invited. Please RSVP with a call or email to Jack Weir (see below).

The following note is from Jack Weir who has agreed to facilitate this process.

Under our California non-profit corporate charter, as well as MBCA National's section requirements, we must hold an annual election and at least one board meeting each year, and of course, continue to file necessary corporate and tax documents,

I ask that the following "call for nominations" be sent to all our members:

"As Past President, one of my duties is to call for nominations for SFBA board directors, and officers (president, vice-president, treasurer and secretary).

Any SFBA member in good standing (paid up dues to the national club) can submit a nomination for up to three directors, and for each officer position for calendar year 2024. Please send your nomination by email, text or snail mail to:

Jack Weir, Past President

or

31 Banbridge Place

Pleasant Hill CA 94523

Please include your name, contact info and your MBCA membership number.

Nominations must be received not later than November 20, 2023

An election will be held Saturday, November 25 at the annual board/membership meeting; time and location TBA."

Classified

Three 190e

I have three 190e2.6 sedans for sale. The model years are 1989, 1993 and 1993. I am the second owner of each car. They have all deferred maintenance up to date and have been serviced beyond MB service recommendations. Everything works on the 1993's as new. The 1989's sunroof doesn't work but seals and is watertight. The mileages are 188,000, 213,000 and 90,000, rsp. The colors are desert beige/chocolate, green/parchment and black/black, rsp. All have new Michelin tires. Excellent cars for everyday usage and many, many trouble free and enjoyable miles remain.

The prices are \$8,000, \$10,000 and \$10,000.
