December 2023

SFBA MBCA is BACK!

The Leadership and Planning Meeting on November 25th was a resounding success with members stepping up to fill the necessary board positions, as well as supporting the Communications, Activities, and planning of the club. Allison Lewis was unanimously elected to a two-year term as president while Barton and Nadine Lane have agreed to continue as vice-president/activities chairman and treasurer.

The new Board will schedule a follow-up Planning Meeting in December or January when all members are invited to meet and plan events for 2024.

We have two events on our calendar for 2024 so far, the brunch at Grand Island Mansion on March 3rd, and the Marin Cheese Run in August.

Please don't hesitate to reach out to a board member with your suggestions for club events.

Three 190e

I have three 190e2.6 sedans for sale. The model years are 1989, 1993 and 1993. I am the second owner of each car. They have all deferred maintenance up to date and have been serviced beyond MB service recommendations. Everything works on the 1993's as new. The 1989's sunroof doesn't work but seals and is watertight. The mileages are 188,000, 213,000 and 90,000, rsp. The colors are desert beige/chocolate, green/parchment and black/black, rsp. All have new Michelin tires. Excellent cars for everyday usage and many, many trouble free and enjoyable miles remain.

The prices are \$8,000, \$10,000 and \$10,000.
