View Through The Star

by Gary Edwards, President

Happy New Year! And welcome to another year of events! Peachtree Section doesn't shut down for the winter.

You've heard me say before that events are the essence of the Section. A wide and diverse variety of events, from cars and coffee, mountain drives, weekend destination drives, concours, performance driving, social events, and anything else that isn't illegal or immoral.

While we've been successful in putting on a full event schedule, these events are being run by a small group of people and there is certainly room for more event planners. What does it take to be an event planner? An idea of something fun to do and an interest in sharing it with friends. Our experienced event planners are glad to help, and we've got an event planning guide to use. You can even watch YouTube videos of our event planner training.

We try to give an event planner a free hand in running events, generally as long as the events break even. Since we want to encourage people to be event planners, we want to make it as easy to plan events as possible. Our event coordinator, the Vice President, isn't going to give you a lot of rudder orders; we want to welcome new event planners, we want to make the process as easy as possible, you might get some suggestions, some "have you thought about" but don't expect onerous obstacles in your path.

Roger McKissick Wins MBCA Lifetime Achievement Award

A man who has devoted many years to MBCA Peachtree Section, Roger McKissick certainly deserves the **Lifetime Achievement Award**, which was presented to him by Peachtree President, Gary Edwards at the Section's holiday luncheon in December 2021. Roger joined Peachtree Section within five months of its founding in 1979 and since then has contributed significantly to the Section's success.

In 1983 Roger was elected President of Peachtree Section and worked on the newsletter for 32 years, most of which as editor. He has held almost every position within the Board of Directors as well as being advisor to the Section, Sponsor Director, and Budget Committee Chair, and has served as Treasurer since 2019.

Roger and his wife, Fran, have owned a number of Mercedes automobiles. Their first was a 1969 280 SE sedan, followed by a 1979 300 TD, a 1973 220 D, a 1983 300 DT sedan, and a 1993 400 E sedan. He currently owns a 1997 E 420 – and a 1967 250 SE/C coupe, a beauty that has won numerous awards. In recent years, the coupe has received the following awards:

FULL EVENT SCHEDULE /2022

Letter from the Editor, Diana Quinn

As I write this letter and put this issue together it reminds me of the great number of events and opportunities, to interact with other Mercedes-Benz car owners in 2022. If you have not yet attended one of our events this is the year to do so! The Peachtree Section offers all members a great variety of events from Social, Technical, Performance Driving, Concours and more.

One of my favorite events each month is our Cars and Coffee at Halycon in Alpharetta. (Check out the Event Run Down for a list of dates as this event does move between Saturdays and Sundays). This is a very casual event where you can just bring yourself and your car whether it is dirty or clean. Grab a cup of coffee and chat up an old friend or make some new friends. Pick up your calendar, pick an event, and I hope to see you there!

Nothing says Mercedes-Benz more than Buckhead.

Peachtree
Section

by Reijo Haarla, Membership Director

At the end of December 2021 Peachtree Section had 522 members. This means an increase of 45 members in the Peachtree membership during the year 2021. However, we faced a slight decline in the membership in December 2021.

I want to remind about the member Auto-Renew program. To enroll to Auto-Renew is easy, you can simply select Yes to Auto-Renew option when renewing your membership on-line at mbca.org. Or, you can contact the MBCA National Office at 800-637-2360 and enroll to the Auto-Renew over the phone.

Advantages of the Auto-Renew:

- Never miss an issue of the Star® Magazine
- Stay informed of local section and national events.
- Continue your eligibility for club Discounts and Membership Rebates.
- Have a chance to participate on our annual Germany trip to visit Mercedes-Benz headquarters in Stuttgart, when again available.
- Have a chance at winning a new Mercedes-Benz by participating in annual raffles.
- Never worry about your membership lapsing.
You support the financial stability of your club.

If you are planning to purchase or lease a new Mercedes-Benz vehicle, please consider participating in MBCA Member Rebate Incentive program. The Member Rebate program is an incentive program sponsored by MBUSA to encourage MBCA members to purchase or lease a new Mercedes-Benz vehicle and receive a cash incentive towards the purchase or lease of the vehicle. There is another article in this newsletter about the Member Rebate Incentive program with further details.

Garland Mountain Cars and Clays - Sunday 3/27

Plan on joining your MBCA friends at Garland Mountain Sporting Clays on Sunday, March 27th. I've been a sporting clays enthusiast for several years and recently joined Garland Mountain with my family due to the generosity of my wife Stacey as a Father's Day gift in 2021. I want to share the enjoyment of this incredible place with my Mercedes-Benz Club family!

We will meet at Garland Mountain Sporting

one of our favorite spots, Paradise Hills Winery Resort and Spa. Our trip last year was tremendously fun. The winery is a hidden north Georgia gem. Of course we will sample their wines and charcuterie once we arrive!

Clays at 11 a.m. Each Sunday, brunch is served beginning at 11 a.m., with shooting starting at 1 p.m. Lunch and the costs for shooting will be on your own. [Read More](#)

2022 Rally Season begins on April 10, 2022 RALLY WINDER

The Rally Winder is going to be the first rally of the 2022 MBCA Peachtree TSD Rally Championship Series! This rally is scheduled to take place starting on Sunday, April 10, 2022.

The rally is going to be "tour" – style Time-Speed-Distance (TSD) competition. It will be relatively straight-forward, all significant turns are clearly identified with mileages provided on the Route Instructions. The goal on the rally is to maintain "on time" driving on the timed portions of the rally according to given instructions. [Learn More.](#)

Fault Codes and What They Don't Tell You

by Gary Edwards

A while back I wrote on fault codes, and how they don't necessarily tell you what you think they do. I recently ran across another instance of this.

Earlier this year, I acquired a 1998 SL500 with several warning lights on the dash. They would be off when you start the car, but as soon as your

speed went above 5 miles per hour, two warning lights would illuminate simultaneously, BAS/ESP and ABS. (BAS stands for Brake Assist System, ESP stand for Electronic Stability Program and ABS is Anitlock Braking System). Reading the codes shows a BAS Pressure Sensor fault. I didn't even know the car had a BAS pressure sensor, and the timing of the lights appearance looked like an ABS wheel speed sensor to me, despite the fault code. I was also a little suspicious of the code, since my code reader isn't supposed to be capable of reading an R129 earlier than late 1999. [Read more](#)

2021 TSD Rally Championship Series Winners Announced !!!

Presents the 2021
TSD Rally Championship Series

Congratulations to **Reijo and Arja Haarla** – Winners of the inaugural MBCA Peachtree TSD Rally Championship!

Time-Speed Distance road rallies made their debut on the Peachtree section calendar in 2021, with a series of four events. These events were straight-forward, brisk "tour" style rallies with no complex instructions, traps or other

unfunny stuff. The goal of the organizers was to keep competitors on the route and get to

the end for fellowship and refreshments. The goal for the competitors was to keep “on time” through 80-100 miles of paved, predominantly secondary roads. [Read More](#) for a recap of scores and details of the four rallies.

Peachtree 2021 Holiday Luncheon

Seventy-two members, significant others, and two guests attended the section Holiday Luncheon at Petite Violette restaurant in Atlanta neighborhood Brookhaven. Lunch was followed by remarks first from President Gary Edwards, who presented his vision for the upcoming year and the Past President’s award to Steve Chapman. This was Steve’s third tenure as Section President. Steve presented the 2021 Member of the Year Award to Membership and Social Media Chair Rubin Howard, who reviewed upcoming events in his new position as Vice President. The Partain Award, named for Jim Partain who founded Peachtree Section, was presented to Rusty Duncan. Rusty contributions included, but were not limited to, most notably organizing a series of mountain drives and interning under the tutelage of outgoing Treasurer and Sponsor Director, Roger McKissick in preparation to serve as Sponsorship Director. MERCEDES-BENZ REPORTS 2021 SALES

Mercedes-Benz USA (MBUSA) reported Q4 2021 sales of 60,326 Mercedes-Benz models. Additionally, Mercedes-Benz Vans recorded Q4 sales of 15,705, bringing MBUSA to a grand total of 76,031 vehicles for the quarter, a decrease of -20.2% over the comparable period last year.

On a year-to-date basis, MBUSA recorded sales of 276,102 Mercedes-Benz passenger vehicles and 53,472 Vans. This brings MBUSA's total year-to-date sales to 329,574 units, an increase of 1.1% versus 2020.

"Results for 2021 demonstrated the incredible demand for the Mercedes-Benz brand in the U.S. and worldwide despite ongoing supply challenges," said Dimitris Psillakis, President and CEO of MBUSA. "Together with our Mercedes-Benz dealer partners, we will advance our position with the electric EQS-sedan, all new SL, new C-Class, EQE, EQS SUV and EQB in 2022 and further accelerate our long term ambitions for an electric future." VISION EQXX

VISION EQXX – taking electric range and efficiency to an entirely new level

The road trip reimaged with a new technology blueprint for series production

Stuttgart. Range and efficiency are set to define the electric era. Exceptional range will make electric cars suitable for every journey and help to increase overall adoption. Reduced battery size and weight will improve efficiency, allowing us to go further with less. Mercedes-Benz is determined to lead the way. We are already leading the way in terms of real-world range with the EQS with 245 kW, as evidenced by the recent Edmunds test where an EQS 450+ travelled 422 miles on one charge, 77 miles further than any other car previously tested.
